
The Elements of Life

Catalogue 2003 - 2004 Volume #3

PureSample™

Letter From the President

My Dear Friends,

This catalogue is a devotion to the elements: *air, water, earth and fire*. These elements sustain the environment and in turn the environment sustains life.

With industrial growth, there are serious environmental consequences, having an effect on all living organisms. With ERE's new and improved PureSample™ catalogue you'll find an orchestra of necessary products to keep you in tune with the environment.

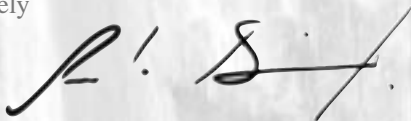

PureSample™ is fast becoming the single source supplier for sampling and monitoring equipment, and the constant improvements of equipment and service keep our customers coming back. Whether dealing with air, liquid, or soil in basically any sector, you'll find that PureSample™ is instrumental when good samples and accurate analysis are needed in conducting your job.

Please be my guest in browsing through the **PureSample™, Volume 3 Catalogue**. At ERE you'll applaud:

- 100's of new products
- Our knowledgeable staff
- Easy ordering and prompt, courteous response

Let ERE help you keep the "*Elements of Life*" in their purest state. Trust ERE for the high quality products and top notch service you deserve. We look forward to serving and working with you in harmony. Now that's music to my ears.

Sincerely

Angelo Diadelfo
President
